About GSPMA

The Gujarat State Plastic Manufacturers Association (GSPMA) was established in 1970 and is ISO 9001:2008 certified. This is the largest apex body promoting development and growth of the plastic industry. With over 3500 members, it brings together all plastic manufacturers and processors in Gujarat.

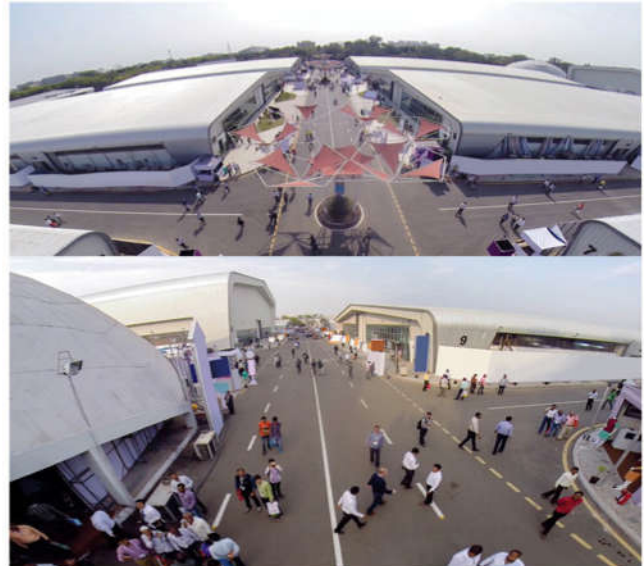

GSPMA is represented in all important central, state and non-governmental bodies. With a vision to facilitate indian plastics industry globally, GSPMA has played a vital role in founding Plastindia Foundation in 1987, and serves as the founder promoter.

Aim & Objective of GSPMA

- Organizing and supporting exchange Programs, Seminars, Discussions, Lectures and Publications.
- Developing, Promoting & Protecting the interest & interdependency of the plastics processing industries.
- Educating end-users to the importance and benefits of plastics in daily life.
- Providing young minds and citizens with information on plastics, empowering them with perspective and ideas to maintain a healthy urban environment.

About The Exhibition Venue

- The Exhibition Centre is elegant, functional with ultra-modern and world class facilities.
- It is amongst the India's one of a best exhibition centre when it comes to hosting Industrial Trade exhibitions, conferences, seminars and other special mega events.
- There are 12 indoor exhibition halls and conference hall, administrative block-all are centrally air conditioned.
- Adequate Parking space for Exhibitors, Visitors, Transporters & Freight Forwarders.
- The new ambience at exhibition centre will ensure better facilities to the exhibitors as well as the visitors.
